

New England Sampler of Working Activities

Thursday Afternoon
3:00 pm-6:00 pm

Have you ever wondered:
how to get you and your Newf started in working activities?
what working activities are right for you and your Newf?
what to do for fun now that your Newf has finished its championship?

We have some great suggestions! Sign up to participate in the New England Sampler of Working Activities. You and your Newfs are welcome to come, play and learn with our experts in the areas of Draft and Water work, Agility, Freestyle, Rally, Obedience, and Therapy Dogs/Canine Good Citizen. Learn what it takes to train a dog in these areas, what equipment is needed and the time commitment it takes.

Our experts will work with novices through advanced handlers. By participating you and your Newf (you are also welcome to spectate without a Newf) will get to try a few beginner moves in all or any areas to get a sample of each activity to find what best fits you both. Already working a Newf? Try a new activity or ask questions, check out equipment or get help with problem areas. You can just chat with other working enthusiasts and share ideas. Every hour one of our experts will demonstrate their activity with a Newf so that you can view the "finished" product. This is a fun, relaxed training venue. No experience required! Please sign up you and your Newf using the form below.

New England Sampler of Working Activities Registration Form

DEADLINE: April 1, 2008

Mail to: Susan Carbone, P.O. Box 434, Turner, ME 04282
