Rescue Ceremony

Love Stories

Those of us who have rescues never seem to tire of telling their stories. We would like you to share yours at the National Specialty. On Thursday afternoon there will be a Rescue Parade where your story will be read as we introduce your rescue to the audience. There is no charge for the entry. To submit your story and entry, complete the form below. Entries close April 15th. We will also honor the memory of Ellen Toll Katz who was NCNE Rescue Chair for more than 20 years.

All are invited to join us for tears and cheers!
