

WATER FOR THE 2011 NATIONAL SPECIALTY

Are you tired of trying to haul enough water for your dogs while at the Specialty? Maybe you don't have room to take all the water you need? Are the stores all sold out by the time you get to Frankenmuth to buy water? Certainly it is best for the dogs to have purified water when traveling or away from home. So we are making this available to you this year!

Water will be sold in CASES ONLY. One case consists of 6 **one** gallon jugs of water. The cases of water will be delivered on Saturday afternoon near ringside. We will have an area set up to pick up your water it will not be left out for pick up. We will also be available to assist you in getting your water to your vehicle, grooming set up or hotel room (if at Bavarian Inn).

This is a fundraiser for the 2011 National Specialty and we hope a convenience for our exhibitors. All water will be purchased locally and is purified water. All orders must be received by April 15, 2011. We will not order any extra cases of water.
