

# Vendor Booth Space

Booth space for vendors will be between the hotel and show rings in a prime traffic area to maximize exposure. Space is available on a first-come, first-served basis in the vendor tent (\$200) or outside for free-standing concessions (\$125). Electricity will be available under the tent on a shared basis. Each vendor will be responsible for electrical cords and safety of same. Set up will be allowed beginning at noon on Monday.

Vehicles are not allowed on the grass. A loading zone will be established for set up each day. Vehicles must then be removed promptly from the area. NCNE reserves the right to reject specific vendors or the sales of specific items deemed in conflict with the best interest of the Club.

To receive more information about booth space, use the form below. The deadline to reserve space is March 28th.

## Vendor Booth Space Information Request Form

**DEADLINE: March 28, 2008**

**Mail to: John Cornell, 964 Williams Hill Road, Richmond, VT 05477** Email: [longship@gmavt.net](mailto:longship@gmavt.net)
