

2022 Newfoundland Club of America National Specialty Show Daily News Monday May 9th

HURRY HURRY STEP RIGHT UP WELCOME TO THE GREATEST SHOW

There is plenty of room to exercise your Newf and keep him or her from getting bored, however, we are guests of The Bavarian Inn and ask that you treat their grounds with respect. Every dog owner is required to police their dogs "presents" so that nothing is left for the Inn staff to pick up. While you are at it, if you happen to see a "gift" someone left behind, please be kind and pick it up yourself.
